

RoHS Directive 2015/863/EU

Effective: February 22, 2022

Advanced Cable Ties manufactures and offers cable ties and wiring accessories as described on our website www.advancedcableties.com and declares that our products, unless listed below, are in compliance and conform to the European Union's Restriction of Use of Hazardous Substance (RoHS) in Electrical and Electronic Equipment per **RoHS Directive 2015/863/EU**.

The RoHS Directive restricts the use of certain substance including; lead, mercury, cadmium, hexavalent chromium and certain halogenated flame retardants such as PBB and PBDE in electrical and electronic equipment.

DECLARATION

RoHS Directive 2011/65/EU (replacing directive 2002/95/EC) and including all amendments through 2015/863/EU

Please be advised that based on the information available to us from our raw material suppliers and vendors that the product lines listed above do not contain, as raw material, any of the below referenced materials as referenced in the subject EU directives. To the best of our knowledge, none of these materials are generated during production. Therefore the requirements of RoHS Directive 2015/863/EU as amended are fulfilled, unless listed below.

RoHS and ELV regulations limit or require disclosure concerning the use of certain hazardous materials in various types of automotive, electronic, electrical, medical, packaging and consumer products. This declaration confirms restricted materials including mercury, lead, cadmium, hexavalent chromium, polybrominated biphenyls (PBB) and polybrominated diphenyl ethers (PBDE) Bis (2-ethylhexyl) phthalate (DEHP), Benzyl butyl phthalate (BBP), Dibutyl phthalate (DBP), Diisobutyl phthalate (DIBP) are not intentionally added to Advanced Cable Ties products.

Advanced Cable Ties has not performed independent testing to verify such information and disclaims any liability if such information is not accurate. It is the responsibility of our customers to determine that their use of our product(s) is safe, lawful, and technically suitable in their intended applications. Because of changes in the law and in regulations, we cannot guarantee that the status of this product will remain unchanged.
