Materials Microparticles Declaration

Effective Date: March 3, 2023

Based on a diligent review of information provided by our raw material suppliers and vendors, Advanced Cable Ties can report that our offered products, unless listed below, do not contain microplastic materials, and substances listed in Annex XVII of (EC) Regulation No 1907/2006 and denominated as synthetic polymer microparticles are not intentionally added or expected to be present in these products.

We have not performed independent testing to verify such information and disclaim any liability if such information is not accurate. It is the responsibility of our customers to determine that their use of our product(s) is safe, lawful, and technically suitable in their intended applications. Because of changes in the law and in regulations, we cannot guarantee that the status of this product will remain unchanged.

Based on our supplier the below product contains *Synthetic Polymer Micro particles*:
Cable Tie Removal Tool Grips

We have not performed independent testing to verify such information and disclaim any liability if such information is not accurate. It is the responsibility of our customers to determine that their use of our product(s) is safe, lawful, and technically suitable in their intended applications. Because of changes in the law and in regulations, we cannot guarantee that the status of this product will remain unchanged.
