VOC (Volatile Organic Compounds) DECLARATION

Effective Date: July 19, 2023

Based on a diligent review of information provided by our raw material suppliers, Advanced Cable Ties can report that our manufactured Natural, UV Black, and Heat Stabilized Nylon 6.6 products and Mounting Base Adhesives are VOC compliant.

Be assured that Advanced Cable Ties will continue to monitor the Volatile Organic Compounds regulations with the raw materials in our finished product and communicate this information to our customers.

We have not performed independent testing to verify such information and disclaim any liability if such information is not accurate. It is the responsibility of our customers to determine that their use of our product(s) is safe, lawful, and technically suitable in their intended applications. Because of changes in the law and in regulations, we cannot guarantee that the status of this product will remain unchanged.
