

CALIFORNIA PROPOSITION 65 DECLARATION

Effective Date: July 17, 2026

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects, or other reproductive harm.

The Proposition 65 chemical list can be found at: <https://oehha.ca.gov/proposition-65/proposition-65-list>

This certificate is to inform Advanced Cable Ties' customers that:

- **Unless Listed Below**, Cable Ties, Wiring Accessories, and Packaging Material offered by Advanced Cable Ties, Inc. do not expose users to chemicals above compliance levels and unbound chemicals, which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986, that are not embedded in an impervious polymer matrix and are therefore not biologically available. Any hazardous chemicals are fixed in the polymer matrix and therefore present a negligible exposure risk under normal conditions of handling and usage, unless they are liberated during melting (fumes) or grinding (dust).

- **Foam Adhesives** utilized on Advanced Cable Ties, Inc. Mounting Bases do contain the chemicals Toluene and 2-Ethylhexyl Acrylate which is listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

Product Label Warning

WARNING: This product can expose you to chemicals which are known to the State of California to cause harm. Toluene: Birth Defects or Other Reproductive Harm. 2-Ethylhexyl Acrylate: Cancer

For more information go to www.P65Warnings.ca.gov

- **Cushion Grips** utilized on Advanced Cable Ties, Inc. Cable Tie Removal Tools contains the chemical Diisononyl phthalate (DINP) which is listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

Product Label Warning

WARNING: This product can expose you to the chemical Diisononyl phthalate (DINP), which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov

- **Wire Connectors** offered by Advanced Cable Ties, Inc. contain the chemicals Zinc powder (stabilized) and Antimony Trioxide. Antimony Trioxide is listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

Product Label Warning

WARNING: This product can expose you to the chemicals Zinc powder (stabilized) and Antimony Trioxide. Antimony Trioxide is known to the State of California to cause cancer. For more information go to

www.P65Warnings.ca.gov

As of April 23, 2025, the following product lines are still under investigation for rev. 12-29-2023 Bisphenol S (BPS), Coal-tar pitch, Fluoro-edenite fibrous amphibole, and Silicon carbide whiskers and rev. 1-3-2025 Vinyl Acetate: Terminals, Wire Connectors, Coated Stainless Steel Cable Ties, and Wire Markers.

This assessment is based on data and certificates obtained from Advanced Cable Ties raw material suppliers and vendor material safety data sheets. We have not performed independent testing to verify such information and disclaim any liability if such information is not accurate. It is the responsibility of our customers to determine that their use of our product(s) is safe, lawful, and technically suitable in their intended applications. Because of changes in the law and in regulations, we cannot guarantee that the status of this product and packaging will remain unchanged.
