## **REACH SVHC DECLARATION**

### **Registration, Evaluation, Authorization and restriction of Chemicals Substance of Very High Concern (SVHC) Declaration**

Effective Date: February 22, 2022

Based on a diligent review of information provided by our raw material suppliers and vendors, Advanced Cable Ties can report that our offered products, unless listed below, do not contain above the 0.1% weight (w/w) threshold of any Substance of Very High Concern (SVHC) on the European Chemicals Agency (ECHA) candidate list dated 17-JAN-2022

Advanced Cable Ties is primarily a downstream user as defined by the requirements of the European Union (EU) Regulation – Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). Advanced Cable Ties will purchase raw materials and products from upstream suppliers that follow through with the final REACH registration. Advanced Cable Ties finished products (Nylon Fasteners) are defined as products that will not require registration under Article 7.1 of REACH.

We have not performed independent testing to verify such information and disclaim any liability if such information is not accurate. It is the responsibility of our customers to determine that their use of our product(s) is safe, lawful, and technically suitable in their intended applications. Because of changes in the law and in regulations, we cannot guarantee that the status of this product will remain unchanged.

Be assured that Advanced Cable Ties will continue to monitor the REACH regulations for any new Substances of Very High Concern (SVHC) that may be included in subsequent ECHA candidate lists. Advanced Cable Ties will compare any newly listed SVHC with the raw materials in our product and communicate this information to our customers.

Non-compliant products:

Terminal Block Barrier Strips, SVHC: Lead, Content in article: 2.44%

Cable Tie Removal Tool Grips, SVHC: Di (2-ethylhexyl) phthalate (DEHP), Content in article: < 0.1%

Regards,

*Richard Berry*
