REACH SVHC DECLARATION

Registration, Evaluation, Authorization and restriction of Chemicals Substance of Very High Concern (SVHC) Declaration

Dear Valued Customers,

Based on a diligent review of information provided by our raw material suppliers, Advanced Cable Ties can report that our products and parts **do not contain** above the 0.1% weight (w/w) threshold of any Substance of Very High Concern (SVHC) on the European Chemicals Agency (ECHA) candidate list dated 16-Jan-2020

Advanced Cable Ties is primarily a Downstream User as defined by the requirements of the European Union (EU) Regulation – Registration, Evaluation, Authorization and restriction of Chemicals (REACH). Advanced Cable Ties will purchase raw materials from upstream suppliers that follow through with the final REACH registration. Advanced Cable Ties finished products (Nylon Fasteners) are defined as products that will not require registration under Article 7.1 of REACH.

Be assured that Advanced Cable Ties will continue to monitor the REACH regulations for any new Substances of Very High Concern (SVHC) that may be included in subsequent ECHA candidate lists. Advanced Cable Ties will compare any newly listed SVHC with the raw materials in our finished product and communicate this information to our customers.

Regards,

Richard Berry
